

Text from Original Jonathan's Dream Donor Plaques

The enthusiasm, hard work, commitment, financial donations, and resources of 23 committees, 29 co-chairs, 1,000 volunteers, benefactors, sponsors, and people of all ages made the original Jonathan's Dream come true in 1996 and 1997.

The original donor plaques will be part of a sculpture to be placed in the planter bed near Tree House Village. In addition, text from all original signs (that could be read was lovingly transcribed and will be available on a virtual donor wall at www.jonathansdreamreimagined.org as a small token of appreciation for everyone who made the original Jonathan's Dream possible. We invite you to review this text and the text on the website and send any corrections you might have to barzacha@yahoo.com by December 31, 2017.
